## CHAIRMAN'S LETTER

Dear and Esteemed Fellow Shareholders,

It is an honor and privilege to present before you the **13<sup>th</sup> Annual Report** of Maks Energy Solutions India Limited. This is an exciting year for Maks Energy as it marks our **13<sup>th</sup> Anniversary**. It has been a wonderful journey so far as we continue to expand our services each year, and share in the continued success.

Surviving this time conveys our potential to lead the way for the bright future. We got listed on NSE Emerge Platform on 28<sup>th</sup> September 2022, we have been extending our knowledge and capabilities for expanding the base of our company within India and outside India. During the year under review we expanded our reach into the business of Assembling and Trading of Diesel Generator Sets and Trading of Auto Spare Parts. The Future looks promising and bright.

The Total revenue from operation is ₹ 4432.96 lacs compared to the Previous year was ₹ 2552.76 lacs and total expenses stood at ₹4418.09 lacs compared with previous years ₹ 2686.60 lacs.

Moreover, the Profit after tax (PAT) in current year is ₹35.60 lacs compared to the previous year loss of ₹ 362.14 lacs. Reason for declined in PAT mainly because of higher cost of goods, increase in expenses, increase in number of competitors and Global recession.

We, Maks Energy Solutions India Limited are well known for Diesel Generator Sets under the brand name "Maks Generators", specializing in Generators powered by the world class engines such as TATA, Perkins, Cummins, Volvo Penta etc.

We have a large base of customers spread across India, SAARC, South East Asia, Middle East , Africa and many more countries.

Looking forward to reach to great heights in the business in the upcoming years to come and more achievement in Generator Business.

## Brief About Maks Energy Solutions India Limited

### OVERVIEW

Our Company was founded by our Promoter, Mr. Sourabh Mahendra Shaw along with Mr. Mahendra Madhairam Shaw and Mrs. Swati Sourabh Shaw. Over the years, our Company has grown under the leadership and guidance of Mr. Sourabh Mahendra Shaw and Mr. Mahendra Madhairam Shaw. Our Promoter, Mr. Sourabh Mahendra Shaw, is having an experience of around 13 years in the business of trading, assembly and supply of generator sets and has been instrumental in expanding our business to reach the international markets. His foresightedness and vision have helped us to identify opportunities and capitalize on the same. We have benefitted and expect to continue to benefit from his industry expertise and relationship with clients. Mr. Mahendra Madhairam Shaw, who is also one of the Executive Directors of our Company and is having rich experience of over three decades in the field of trading of Diesel Generator sets ("**DG Sets**") and supply of spare parts and has been the guiding force behind the successful execution of our business strategies over the years.

The main business of our Company is purchasing Diesel Engines, Alternators and other parts from their suppliers and assembling the Diesel Generating Sets and selling these Diesel Generating Sets and the spare parts of DG Sets into domestic and export markets. In addition to the above, we have also entered into the business of distribution of auto spare parts in the state of Maharashtra, India.

We commenced our operations in the year 2010 as a dealer of generator sets. Over the years, we have diversified the scope of our operations from dealing in generator sets to trading, assembling, selling, installing, testing and commissioning of DG Sets. We have also acted as non-exclusive Original Equipment Manufacturer ("**OEM**") of DG Sets for some of our clients in the domestic market and for exports in international market. We source the engines used in DG Sets from our suppliers and assemble the sets with other required peripherals sourced from other suppliers, such as control panels, customized synchronized panels, base frames, fuel tanks, canopy, acoustic enclosure and room acoustic materials and sell the DG Sets. Domestically, we have sold DG Sets in Maharashtra, Delhi, Karnataka, Telangana, Punjab and Jharkhand. We also exported the generator sets to countries in the Middle East, South East Asia and some parts of Africa. Our assembling facility is located at S.No. 13/6/1/3, Yeolewadi, Kondhwa - Saswad Road, Kondhwa, Pune – 411 048, Maharashtra and at GAT No 59/1, Amane Engineers, Tal Khed, Waki Bk, Waki BK, Pune, Maharashtra, 410501.

In year 2019, we have also diversified into the business of distribution of commercial vehicle spare parts in the state of Maharashtra

## OUR BUSINESS

Our business operations can be broadly classified under the following heads:

*Trading, assembly and selling of diesel generator sets and ancillary products*

*Distribution of commercial vehicle spare parts*

The main business of our Company is purchasing Diesel Engines, Alternators and other parts from their suppliers and assembling the Diesel Generating Sets and selling these Diesel Generating Sets into domestic and export markets. In addition to the above, we have recently also entered into the business of distribution of auto spare parts in the state of Maharashtra, India.

Our Company is also carrying out trading business into the following key products:

- a) Diesel Engine
- b) Diesel Generating Set Spare Parts
- c) Tata Spare Parts
- d) Ancillary Products
- e) Commercial Vehicle Spare Parts.
- f) Alternator

### **Trading, assembly and sell of DG Sets and ancillary products:**

In the DG Sets business, we assemble, market and sell a wide range of DG Sets, with capacities from 15 kVA up to 1250 kVA and sale of other ancillary products such as alternators. We source the engines used in our DG Sets from our dealers and assemble the sets with other required peripherals source from other vendors, such as control panels, customized synchronized panels, base frames, fuel tanks, canopy, acoustic enclosure and room acoustic materials.

We have sold our DG Sets to market segments including industrial and corporate end-users from various industries such as manufacturing, realty, education, automotive, FMCG, dairy, hospitality, pharmaceuticals, information technology. In domestic market, we cater to customers in the regions of Maharashtra, Delhi, Karnataka, Telangana and Jharkhand for our DG Set business. In the international market, we export DG Sets to Middle East, South East Asia and Africa.

**Distribution of commercial vehicle spare parts:**

Our Company is also engaged in the business of supplying commercial vehicle spare parts to the State Transport Bodies, Government sector and other affiliated bodies within the state of Maharashtra.

### Assembly process:

The Maks generators are assembled adhering to high quality standards, the brief of the process followed, is as below:

1. **Sequential plan:** In sequential plan, the DG Sets are assembled in various stages as per pre-determined sequential manner. The stages of sequential plan are as follows:
  - A. Bringing Engine and Alternator on shop floor
  - B. Engine and Alternator is incorporated on Base-frame with diesel tank
  - C. Coupling of Engine and Alternator
  - D. Attaching wiring and harness
  - E. Attaching battery with cables
  - F. Attaching Control panel
2. **Checking of fitment:** In this stage, above fitment is checked.

I
Spare Parts are then billed to different divisions of state transport units and dispatched

**OUR STRENGTHS**

We believe that we possess the following strengths:

**1. Established operation capability in the diesel generator set market to cater requirements of large and diversified customer base**

Over the years, we have established operational capabilities for assembly of diesel generator sets in India. Our existing assembling facility in India is equipped with required machines and equipment that covers all kinds of necessary tests and standard as required to supply quality products to our customers.

We assemble wide range of diesel generator sets for our customers, with capacities ranging from 15 kVA up to 1250 kVA which cater to requirements of almost all market segments including industrial and corporate end-users from various industries such as service, manufacturing, realty, education, automotive, FMCG, dairy, hospitality, logistics, pharmaceuticals and information technology.

**2. Proven track record**

Through our longstanding presence in the diesel generator business led by our experienced Promoter and Directors, we have a track record of assembling and supplying a range of diesel generator sets. We believe that this experience and track record of our Directors in diesel

generators has been key to developing our brand.

3. **Strong technical and execution capabilities**

We believe that our sufficient equipment base, qualified and experienced employees, implemented systems, procedures and capabilities enable us to supply quality diesel generator sets to meet the national standards.

4. **Experienced and proven management team**

Our qualified and experienced management team has been responsible for the growth in our operations. We are backed with a team of professionals. Mr. Mahendra Madhairam Shaw, one of the Executive Directors of our Company, is having rich experience of over three decades in the field of diesel generator sets and supply of spare parts and has been the guiding force behind the successful execution of our business strategies over the years. Mr. Sourabh Mahendra Shaw, our Promoter, has experience of over 10 years in the business of diesel generator sets and under his leadership the Company has been expanding business into international market. We believe we have a strong and experienced senior management team. Through their commitment and experience, our management team has helped us to grow our business and maintain high productivity.

## **OUR STRATEGIES**

We intend to pursue the following principal strategies to optimize our competitive strengths and grow our business:

1. **Capitalize on continued demand for generator sets**

We believe that anticipated economic growth, lack of stable power supply, energy deficits, growing demand for backup power and inadequate power infrastructure may continue to lead to greater demand for generator sets in India. We believe that the diesel generators market in India is expected to grow over the next few years, primarily due to the establishment of industrial parks, petroleum, chemicals and petrochemical investment regions, increasing the emphasis by the government on infrastructure projects such as metro rails, smart cities, the expansion of state and national highways and investments in the IT/ ITeS (especially data centre capacity). All these will lead to an increase in the demand for our products. Our generator sets business would be ideally placed to cater to such demand for reliable and consistent back-up power. Our generator sets can also serve as primary sources of power in remote or outdoor locations that are not connected or have limited access to the electricity grid, such as construction sites, railways, mining, quarrying and oil and gas operations. We can leverage our existing facilities to meet higher demand by operating in multiple shifts.

2. **Expand our reach in the international markets**

We export a variety of DG Sets which utilize engines of our dealers to countries in Middle East, South East Asia and Africa. We believe that there is a good potential for the Indian exporters to export DG Sets to Africa and neighbouring countries in Asia. Further, we believe that exporting to such countries may nullify the impact of any downward demand in the domestic market.

3. **Continue to develop client relationship and expand our client base**

We plan to grow our business primarily by increasing the number of clients and retaining the existing client base, as we believe that increased client relationships will add stability to our Business. We intend to retain existing relationships and also focus on bringing new clients into our portfolio. Our Company believes that our business is a by-product of relationship maintained with our clients and try to maintain long-term relationship with our clients. Long-term relations are built on trust and continuous meeting with the requirements of the clients. We believe that our continuous relationship with clients will provide us with an opportunity to improve our capabilities to offer better products and services in our diesel generators business. We also intend to continue to pursue alliances that may provide us with greater access to advanced technologies and allow us to diversify our product and customer base in India.

## **SALES AND MARKETING**

Marketing strategy of our Company is substantially dependent on the past credentials and track record, which includes quality of services. We also enter into dealership arrangements with third parties from time to time for the export of our DG Sets to overseas customers. We sell our DG Sets to industrial and corporate end-users in a number of customer segments.

## **QUALITY CONRTOL**

A good quality product is the foundation for a good brand. We believe that consistency of quality products can only be achieved by process orientation.

We have functional team who takes care of quality checks in the inspection process right from procurement of materials, assembling process to final delivery. We focus on upgrading our skills, quality system, infrastructure and facilities to achieve consistent product quality and customer satisfaction.

## **RAW MATERIALS**

Our major raw materials comprise engine and alternators which constitutes a substantial portion of the overall value of the generator set. We procure engine from our suppliers. We procure alternator, copper, acoustics, fuel tank rubber, switchgear, control panels and other electrical components from other vendors.

## **COMPETITION**

We face competition in our business. Our DG Set business competes across a number of factors, such as size of the generator unit, location of the project, customization needs of the customer and our previous relationship with the customer. Because we operate in specified geographies, our competition also depends on the relative advantage of our competitors in these identified geographies. We also face competition from regional established players in domestic market.

## ANNEXURE A TO THE BOARD REPORT

### MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATION

#### Overview

You should read the following discussion and analysis of our financial condition and results of operations together with our Financial Statements for the Financial Years 2022-23 and 2021-22, including the notes and significant accounting policies thereto and the report thereon.

Our financial statements have been prepared in accordance with Indian GAAP, the Companies Act 2013, and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and as per report of our Statutory Auditors dated May 27, 2023.

Accordingly, the degree to which the financial statement in this document will provide meaningful information depends entirely on such potential investor's level of familiarity with Indian Accounting Practices. Our Financial Year ends on 31<sup>st</sup> March of each year; therefore, all references to a fiscal are to the twelve-month period ended 31<sup>st</sup> March of that year.

#### A) Industry Structure and Developments:

The India diesel generator market is expected to register a CAGR of less than 4% during the forecast period. The COVID-19 pandemic had a negative impact on the diesel generator market of India due to the reduction in power demand, mainly from institutional customers (industrial and commercial sector), as many manufacturing plants and retail businesses were closed during the lockdown. Factors such as uninterrupted and reliable power supply and heavy deployment of DG (diesel generator) sets in healthcare services and the IT sector are accountable for the market's progress. However, the India diesel generator market may face hurdles in the near future due to the growing trend of renewable power generation, particularly in industries that have targeted reducing greenhouse gas emissions.

The commercial and domestic segment is likely to dominate the diesel generator market during the forecast period due to the clear uptrend in the growth of retail businesses, which requires an uninterrupted power supply.

The market is expected to thrive appreciably in the near future due to many opportunities like the growing manufacturing sector. Diesel generators are widely used as a prime and standby source in the manufacturing sector. India is predicted to be the global manufacturing hub by 2030 due to the efforts poured in by the Make in India program launched by the Government of India.

Improvement in technology can lead to an upsurge in the growth of the market during the forecast period.

## India Diesel Generator Industry Segmentation

The Indian diesel generator market report includes:

Sr No.	Particulars	End Users
1.	Power Output	Portable generators Inverter Generators Industrial generators Induction generators
2.	Application	Standby Primer Power Continuous Peak Shaving
3.	End User	Residential Commercial Industrial
4.	Ratings	5KVA to 2750 KVA

### BUSINESS OVERVIEW

#### Our Strengths:

- ☐ Established operation capability in the diesel generator set market to cater requirements of large and diversified customer base
- ☐ Proven track record
- ☐ Strong technical and execution capabilities
- ☐ Experienced and proven management team

#### Competition:

Our DG Set business competes across a number of factors, such as size of the generator unit, location of the project, customization needs of the customer and our previous relationship with the customer. Because we operate in specified geographies, our competition also depends on the relative advantage of our competitors in these identified geographies. We also face competition from regional established players in domestic market.

## **Risks, Opportunities and Threats:**

### **Risks:**

The world is recovering from the COVID-19 pandemic which has posted hurdles in economic recovery, while also creating challenges on inflation and supply chain. These macroeconomic factors remains critical to the business growth of the company.

The pandemic has resulted in release of funds and postponement of projects at the institutional levels. Such delays might impact business growth.

Ensuring worker safety remains a critical operational risk across our plants.

Changing technology paradigm and dynamic customer needs are important to relevant and sustain business growth.

With rising shortage of skilled labour, retaining workers remains a risk for the company to mitigate.

### **Opportunities:**

The government has developed numerous programmes to help manufacturers such as production linked schemes which is cornerstone of governments` endeavour to achieve Atmanirbhar Bharat. The Scheme`s goal is to stimulate domestic manufacturing in strategic and emerging areas, improve cost competitiveness of domestically made goods and services and increase local supply.

As technology advances more and better machines are invented, increasing the efficiency of Diesel Generator sets.

Domestic producers are given a preference in the DG Business which will provide ample of employment opportunities in India.

### **Threats:**

- Supply chain disruptions caused by geopolitical instability.
- Several new Companies are entering the market and existing rivals in adjacent product categories are also increasing offerings.

## SIGNIFICANT DEVELOPMENTS AFTER MARCH 31, 2023 THAT MAY AFFECT OUR FUTURE RESULTS OF OPERATIONS

### Significant Factors Affecting our Results of Operations

Among various other factors that affect our financial results and operations for a given financial year, some key factors are as follows:

- ☐ Changes in laws and regulations that apply to the industry;
- ☐ Increasing competition in the industry;
- ☐ Company's inability to successfully implement its future growth plans;
- ☐ General economic and business conditions;
- ☐ Pandemic situations like the current spread of Corona virus and the country/ city lockdowns.

Report on the Audit of the Financial Statements**

### Opinion

We have audited the financial statements of Maks Energy Solutions India Limited ("the Company") which comprise the balance sheet as at 31 March 2023, the statement of profit and loss, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and profit and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

### Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon. However, we state that since the Company is not listed therefore the requirement to report Key Audit matter is not applicable to the Company.

## **Other Information**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Management's and Board of Directors' Responsibility for the Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Management and Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Emphasis of Matter**

1. *With reference to Note No 42 regarding legal case involving balance outstanding of Rs 290.78 Lakhs, and No provision for bad and doubtful debts made by the Company towards such balance being not confirmed by the party and hence our inability to state whether these balances are recoverable to the extent stated, and accordingly impact on profit of the Company is not ascertainable.*

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
  - c) The balance sheet, the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the AS specified under Section 133 of the Act.

- e) On the basis of written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the Directors is disqualified as on 31 March 2023 from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
- i. The Company does not have any pending litigations which would impact its financial position.;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under

sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Company has not declared or paid any dividend during the year.

3. With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act read with schedule V of the Companies Act 2013.

**Annexure “B” to the Independent Auditor’ Report on the Financial Statement of Maks Energy Solutions India Limited for the year ended 31 March 2023**

**Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

(Referred to in paragraph 2(f) under ‘Report on other legal and regulatory requirements’ section of our report of even date)

We have audited the internal financial controls with reference to financial statements of Maks Energy Solutions India Limited (“the Company”) as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate

internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls with reference to financial statements.

### **Meaning of Internal Financial Controls with reference to Financial Statements**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls with reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
